Mississippi Tank Company,
has two locations from which to
serve our customers. The

headquarters, located on 20 acres
in Hattiesburg, Mississippi, consists
of approximately 175,000 square feet
of manufacturing facility. The Indiana
division is located in Vincennes, IN.

The headquarters is well positioned for
interstate highway access and in close
proximity to the port cities of Mobile, AL
and New Orleans, LA. For over 70 years we
have provided quality built storage tanks
ranging from 2,060 WGC to 120,000 WGC.
